

Get To Know Senior Camp

In Senior Camp, your child will:

Be Safe

At Sportsclub Kids, we know safety is about more than just avoiding injury - it's also about having positive interactions with peers, being listened to and valued by adults, feeling confident and capable, and much more. We carefully choose and train our staff of conscientious and caring young adults to safeguard all aspects of our campers' well-being. Our low 10:1 camper-to-staff ratio allows our staff to give each camper individual attention and keep a close eye on the group. Additionally, every member of our staff is certified in CPR and first aid.

Make Friends

Senior teams provide a home base for senior campers, building their sense of community as part of Senior Camp. Choice periods allow seniors to make friends through shared interests (and explore new interests through their friends!) Whether your camper has grown up in our camp or this is their first summer, close friendships form in Senior Camp that not only last from summer to summer, but throughout the school year as well! Camp friends truly are the best friends! Additionally, our counselors are trained to help campers make new friends so that no one feels left out!

Gain Independence & Try New Things

Our choice-based schedule combined with the variety of activities and field trips we offer allow campers the freedom to customize their schedules, discovering new interests and expanding on old ones. Senior counselors are trained to encourage independence and create an atmosphere where it is okay to try new things, even if you are going to look silly while doing it (Senior Counselors specialize in having fun while being silly!)

Have Their Best Summer Yet

Our campers cannot wait to become seniors and look forward to camp each day. Senior Camp has a fun atmosphere that makes it cool to be at camp and give it your all. The variety of activities we do combined with the ability to make choices keep our seniors active and engaged. Your camper will come home each day talking about how awesome their counselor is and how much fun they are having with their friends. Sportsclub Kids is truly the best place in Greenville to be a kid!

Activities

Sports

Our campers love playing sports, and we offer one each choice period! Our offerings include football, soccer, tennis, capture the flag, gaga ball, dodgeball, and much more!

Arts

We have a talented staff that allows us to offer a variety of visual and performing arts. Whether your camper likes doing crafts like friendship bracelets and metal stamping, art projects like water color painting, or performing arts like ballet dancing and acting, we have choices they will love!

Swim

Seniors have optional free swim time most Mondays, Wednesdays, and Fridays in our indoor salt water pool. This is by far one of our most popular choices!

Variety of Choices

In addition to sports, arts, and swimming, we offer a wide variety of other choice periods including cooking, rollerboard games, pogo sticks, Legos, engineering, and much more! The variety of activities we offer will keep your Senior Camper active and engaged all day long!

Special Events

Seniors have two special events each week and get to go places like Gravitopia, Carowinds, Dave and Buster's, and much more! No wonder seniors love camp!

Counselor In Training

This invitation-only program allows rising 10th graders to build job skills that will give them an advantage over their peers. CITs are a special category of camper that spends their days helping with Main Camp and learning how to be a leader. Whether they are with us all summer or just one week, by the end CITs will have:

- Practiced applying and interviewing for a job (with constructive feedback)
- Completed a job training session and leadership activities with our CIT director
- Lead activities for younger campers
- Contributed to a long-term community service project
